The City Manager addressed the possibility of Coronado residents being given priority on the waiting list. Of the 238 people on that list, 57 have Coronado addresses.

It was noted that because the course is on State Tideland all state citizens should have equal access.

Green Fees are going up. The Unlimited yearly pass is a hot topic. They may go to a punch card where players can purchase 40/80 rounds per year.

There is a meeting of the Advisory Board that will check on the current proposal and past budget.

### **Tournaments**

Only 59 members played in the Member-Guest Tournament. A lot of time and effort is put into making this a good tournament yet the members stay away. Is this a tournament we could do without? The discussion was tabled for the General Meeting on November 10.
