

Minutes for February 9, 2010

Meeting brought to order at **5:00 pm**.

Members present: **AL HADZIMA, BOB CONCANNON, DAN GOODWIN, JOHN CASEY, BILL WILSON,** and **IAN LANGDON.**

The minutes were approved from the last meeting. It was noted Floyd Smith was the lone member to send CMGC a Christmas card.

The Board is entertaining thoughts of opening up a "Social Membership" for members who have stopped playing but still want to be a part of the club. This issue was tabled until the next meeting.

Job descriptions of each board members duties are to be written out so the Board can compile a calendar of duties. Submit to Bill Wilson who will begin putting it together.

Member-Guest Tournament. Because of lack of participation in the last tournament thoughts of changing this tournament on a trial basis to a Member-Member with a Sunday shotgun and sit down dinner are being explored.

It was noted that the Pro Shop people on the CMGC roster are Limited members who only keep a handicap.

Wednesday Play is keeping an eye on slow groups. Bob said that generally the slower groups, when told, improved considerably.

Publicity chair, Bill Wilson reports the Frontside is out for February and new pictures are up in the hallway by the computer.

There were 11 new applications for membership. These were reviewed and added to the waiting list.

Meeting adjourned at **5:39 pm.**

Respectfully submitted:

Ian Langdon

Secretary
